1 - Introduction and Overview

We aim to give everyone an excellent experience when dealing with The NVQ Training Centre and The Apprenticeship Centre.

We welcome your comments, suggestions and feedback about the service you have experienced. Although many issues can be dealt with less formally, this policy provides a formal route for dealing with a decision with which you disagree.

We aim to ensure that:

Making an appeal is as easy as possible

The review is conducted in a fair, reasonable and legal manner, ensuring that all relevant information is considered without bias

We deal with it as promptly as possible, politely and, when appropriate, confidentially

We respond in the right way, for example, by giving you an explanation or an apology where we have got things wrong, and letting you know what action we've taken

We learn from appeals that were upheld and use them to improve our service

Appeals may be made against a range of issues relating to The NVQ Training Centre/The Apprenticeship Centre decisions:

Results of assessments – decisions made by the Centre or by the EPA Centre

Results of assessments – decisions made by the centre

An ILM/Pearson or other awarding body that the learner is registered with decisions

The centre or awarding body decision to decline a request for reasonable adjustment, special considerations, or the use of a language other than English, Welsh or Irish

External Verifier's decision(s) in external quality assurance (EQA) of a Centre assessed learner work

6 – Appeals Procedure

1.

The following steps are to be followed if a candidate wishes to appeal against an assessment decision:

- a. The candidate should first discuss the reason for appeal with the Assessor or Tutor if possible. The candidate should not go straight to the awarding body. The candidate should first refer to their assessor or internal verifier. Details of a learner's Assessor and Internal Verifier are contained within their portfolio or on OneFile.
- b. If the candidate is not satisfied with the assessor's final decision an appeal should be made using the Appeals Form at Annex A.
- c. The Internal Quality Assurer (IQA) should inform the Quality Assurance Coordinator (QAC) that an appeal has been lodged within 5 working days.
- d. If the candidate is not satisfied with the findings of the IQA (findings to be given to the candidate in writing within 10 working days of receipt) then the appeal may be referred to the appeals panel who will be made up of individual/s within the company who are in a position to be objective about the situation.
- e. If the situation cannot be resolved the QAC should inform the External Verifier (EV) that an appeal has been lodged within 5 working days of receipt and provide them with a written account of the appeal and subsequent actions.
- f. The EV will examine the evidence and if deemed necessary speak to all concerned and then notify the QAC, IV, Assessor and Candidate in writing, of any decisions made.
- g. Please be aware that some awarding bodies charge a fee to consider escalated complaints. Please check the website for the relevant awarding body.
- h. The appellant may bring to the appeal a colleague or other representative upon agreement with the Centre and in accordance with correct protocol and procedure

Some things that cannot be appealed include:

Issues that took place before the Centre received the learner's registration or after the learner's registration period has expired

That is or should be dealt with under an employer's disciplinary or grievance procedure
